***NOTE:** The above listings are for informational purposes only. It does not imply that any laboratory on the list will perform analyses for any other party. Water systems or their authorized representative ("applicant") are responsible for contracting with any of the certified or approved laboratories, listed above, to perform all of the analyses required for a new source approval. It is also the "applicant's" responsibility to verify that the contracted laboratory or laboratories are currently certified when the analyses are performed. Please note that the Department of Health does not perform analyses for prospective sources of drinking water.
